

MARKET MENU

To celebrate the best of Autumn our **'Market Menu'** is available on Friday, Saturday and Sunday for lunch only.

Claude has been collaborating with his long-standing suppliers to create a three-course menu, featuring weekly changing seasonal produce.

We look forward to welcoming you to Bibendum to discover this new menu.

Book your table now, the season dictates there is limited availability.

Please add a note on your booking that you would like to dine from the Market menu.
